## No-Prep Therapy Activity: Valentine's Day Fill the Chocolate Box!

by Annia Batista, M.S. CCC-SLP

Art by Xareni Ramirez

Valentine's Day is here and we are ready for something sweet! Use this Valentine's Day worksheet to complete the following speech and language activities.

### 1. What Do You See?

.....  
Take a look at the picture. What sweet treats can you spot? Point to the items and describe them (Ex: "I see a chocolate box! What do you see?")

Possible answers: chocolates, hearts, flower, bow, chocolate chip cookie, etc.

### 2. Pick the Target Sound

.....  
Cut the chocolates and repeat the target sound three times as you glue each piece onto the candy box.

For example: If your sound is /s/, say "s-s-sweet!" or for /p/, say "p-p-pink!"

### 3. Sweet Talk Time!

.....  
What's your favorite type of candy or chocolate? If you could make a new candy, what would it taste like? What shape would it be?

### 4. What Happens Next?

.....  
Finish the story by writing or saying what happens next: "Joey was very hungry and ate an entire box of chocolates."

What happens after Joey eats all the chocolates? (Example: "Joey got a bellyache!")

**Directions:** Cut out the candy pieces at the bottom of the page. As you glue each piece onto your candy box, say your target sound words.

**Bonus Fun:** Write the name of your Valentine on the special envelope!
